OFFICIAL JOURNAL OF THE CITY. PISHTH AMES TYLER, MAYOUR C. GALLAWAY, Political Eds. M. KEATING, L. T. ENGLISH, News, City, Commercial Liberties, and River Editors.

FRIDAY MORNING, : : : : : JUNE 3, 1870

THE Radical party has no recog-Revels all claim the crown worn by ises justice and right. The tyranny Thad. Stevens, and the concern of majorities has long been deemed would go to the dogs, but dogs would insufferable, and as terrible as that of not lick its ugly sores.

THE enactment by the Senate of the constitutional amendment "enforcement bill" has given the Democracy 90,000 majority in New York. Won't that intelligent body give us a little more of such villainous legislation?

WHY did not Grant issue his anti-Fenian proclamation before instead of after the event? Was it stupidity or moral cowardice that caused delay? Or did he wish to bring down all this weight of wees upon poor Irishmen inveigled by the noblest impulses into inevitable rain and misfortune?

Joe Johnston's campaign from forty thousand men and Johnston's they act es "middle men" between

handcuffed to big, burley and brutal ities and benevolence of the good Sa-

THE effort which has been made to induce the President to veto the Northern Pacific railroad bill, or to allow it to become a law without his signature, did not succeed. He signed the bill. Representatives of the company say that preparations will be commenced at once to build the road, and the work on the eastern end will be vigorously prosecuted this summer. It is the richest corporation in America, and yet this road, traversing the extreme northern portion of the United States, is thus richly endowed, while every conceivable pretext is resorted to in order to defeat the construction of a South- all great railroad and land monopo- a misdemeanor by imprisonment no ern road to the Pacific.

made by farmers in the west or in California. Grain finds no market artfulness flattering to his cunning as save in the south, where it may as it dishonors those who are entrapped more tempting field for farming pop- of a monster corporation, empowered as marvelous as that of the north stolen during war.

the construction of a road from New Counties, aggregating 99,387, points to a loss of half a million sheep killed and as many more wounded by dogs,

For many months past a gigantic land stealing combination has been in just now of ascertaining. But Kelling there is no means just now of ascertaining. But Kelling there is no means just now of ascertaining. But Kelling there is no means just now of ascertaining. process of organization which pro- logg has another beautiful scheme beposes to achieve its selfish purposes by fore Congress. He seeks to destroy TO THE MEDICAL PROFESSION consolidating into one Territory of the trans-continental Pacific bill, Oklahoma the Indians west of Arkan- which adopts the Vicksburg line and sas. The Cherokees are especially provides for branches to New Orleans' hostile to the scheme which involves the creation of a great city at a great railroad crossing, and the deprivation of the Indians of a large share of their lands. The ring engaged in this delectable task of money-getting is very land grants, and if this were possible powerful, and has a strong lobby at concessions to the Southern Pacific work in Washington. It has enough | are still deemed binding and operaahead to make brilliant promises, tive. Kellogg has induced the Senand thus secures votes. The Indians ste Committee to decide differently, will probably be victimized despite though the Texas Legislature has retheir protests. A well known jour- peatedly declared these grants valid

destroy all hope for the Judiciary Committee of the Senate gives quite an insight into the numagement of the lobby organ, known as Forney's Chronicle. D. C. Forney testified that the edition of the Chronicle on the 18th of last April, Inclusive of five thousand extra copies ordered by Governor Bullock, was "about fourteen thousand." The mail clerk testified that the edition for that day was from seventeen to construction of a Southern Pacific Company? He is only an edition of the Union Pacific Company? He is only an edition of the Union Pacific Company? He is only an edition of the Chronicle on the 18th of last April, Inclusive and fame are not identified with the State he represents, and his sympathies and interests are widely separated from those of Louisianians. That the South may be divided, Keilogg's bill makes the gauge of his road.

FOR RENT AND LEASE.

Is published daily and weekly by the Mem-phis Appeal Publishing Company, at the Appeal Building, No. 14 Union St., Memphis, Appeal Building, No. 14 Union St., Memphis, testimony under oath.

The subject and mode of securing

for minorities, and thus the preventhe people of the South that it may tion of insufferable acts of despotism be enacted. by majorities, is widely discussed. Whether it will be approved in IIII- THE RADICAL NATURALIZATION nois will be known at an early day, as a proposition to attain this end is lare. In the WEEKLY, one-half the rates of now submitted for the approval of the people of that State. It is proposed different to above rates. Terms: Cash in adone Senator and three Representatives,

casting one vote each for the three, one and a half votes for two, or three votes for one candidate. Under such the most startling movements ye a law each political party will only made in the direction of centralism nominate as many candidates as it If totally (to begin with) ousts the can elect, and the opposition party state courts of all jurisdiction in the premises, conferring exclusive power to issue naturalization certificates to district have nine thousand voters, of Federal courts and Federal registers in which two thousand three hundred are Radical and six thousand seven hundred Democratic, and such a law governed elections, in electing three members of the Legislature, the two thousand three hundred voters, if concentrated on one man, are sure to elect him, because the six thousand an appreciable freentive to a foreigner elect him, because the six thousand seven hundred votes divided among to become a naturalized citizen at all. three candidates will give each two thousand two hundred and thirtythree votes. To elect a minority candidate it is only necessary for the mi-naturalization issued since July nority to vote for only one man, nized leader. Morton, Butler and Theoretically the proposition prom-

Dyonisius or Nero. If a proper remedy have been discovered there are few who will object to its application everywhere, WE understand that the steamboat assenger agents from all parts of the United States will hold a convention at Memphis in the latter part of the present month. This will be something new, but will bring together a in somewise connected with the matbody of men who have constituted and built up an important and now it is considered to what ulterior puralmost indispensable branch of busi-purposes the law may and will be prostituted. It provides that "in any convenience, and obviating time and trouble on the part of those who are states Circuit or District Judge for the bent on or forced to locomotion. We district in which said city is Stony Face to Atlanta was the most are not familiar with the modus op- to appoint for each election district or brilliant of the war. Sherman lost crandi of these agents, but presume voting precinct in said city (and forty thousand men and Johnston's they act as "middle men" between occasion may require, from time to army almost doubled its strength. the passenger and the conveyance by Johnston's conduct to-day is illustrative of his strong practical sense and indomitable pluck. Growing old, with three bullets in his body, two re. | tention of the agent which rarely fails, | who, being registered, would be fatal, at Seven Pines, he is making \$15,000 per annum at Savannah as an insurance agent. If his treaty with Sherman had not been set aside by Stanton the south to-day would be the sar ready to his hand as though he had. Stanton the so th to-day would be the richest country on the globe. as ready to his hand as though he had to be present and witness throughout to be present and witness throughout the country on the globe.

The is time that Cuba be surrendered is ready 15 his mand as though he had been present and given the directions himself. We have heard of many kindnesses on the part of the passential times until the votes are finally to the civilizing influences of the United States. Under the mild sway travelers and movers, which reflect of the Spanish Republicans, white great credit upon their humanity, said registers for the purpose of iden women, elegant, educated and re- Hundreds of Instances have occurred, tification, and to attach thereto, or to fined, whose only crime consists in and are constantly occurring, in which the certificate of the number of vote being sisters of Cuban patriots, are they have shown, and show, the charhandcuffed to big, burley and brutal ities and benevolence of the good Sa-negroes, and after being paraded maritan.
